Lab Code: 00000000-00

## The CTIA Certification Authorized Test Lab Marks

Only test labs authorized by CTIA Certification (ATLs) are licensed to use the CTIA Certification ATL marks, as agreed to in the ATL License and Service Agreement. ATLs may use the marks in association with their products and services, as well as in association with their company to promote their authorization as a CTIA Certification Authorized Test Lab. Usage must follow the ATL Marks Usage Guidelines. CTIA Certification will provide the ATL with the master artwork containing the Mark that you are permitted to use, with your specific lab code, to represent that you are an ATL. Your use of the Mark must conform to these guidelines.

The Authorized Test Lab logo should always be legible and without obstructions. A minimum area surrounding the logo must be kept clear of any other typography as well as graphic elements such as illustrations, other logos, thematic images, patterns, and the trim edge of a printed piece.

Minimum clear space of .25" on all sides of the logo should be maintained.

Please do not modify or misuse the logos. Always use the approved artwork.

**One color Logo with a minimum of .25 inches of clear space on all sides.**

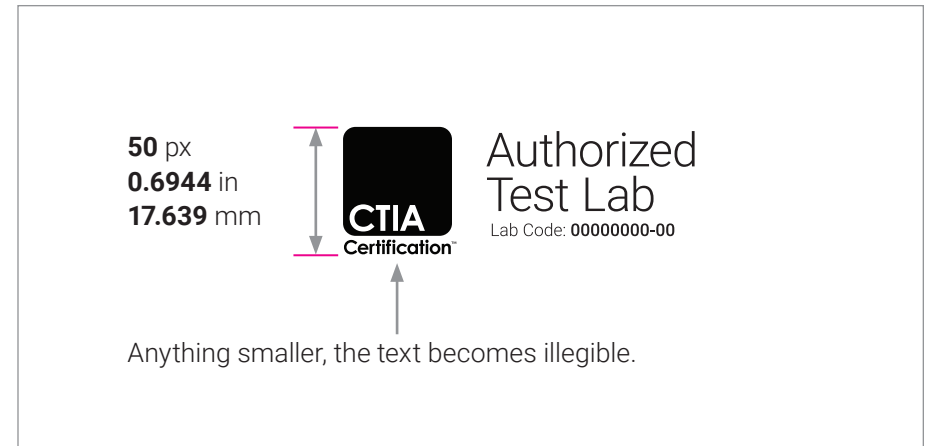

**One color reverse Logo with a minimum of .25 inches of clear space on all sides.**

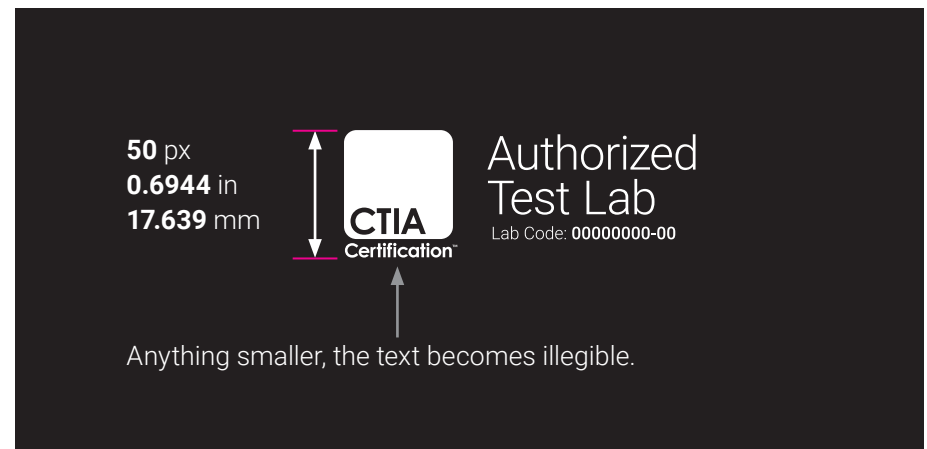

The Authorized Test Lab logo should always be legible and without obstructions. A minimum area surrounding the logo must be kept clear of any other typography as well as graphic elements such as illustrations, other logos, thematic images, patterns, and the trim edge of a printed piece.

A minimum size has been established for the CTIA Certification Authorized Test Lab logo to ensure legibility for print and web.

Please do not modify or misuse the logos. Always use the approved artwork.

**Minimum logo size height (one color logo)**

**Minimum logo size height (reverse logo)**
